## **KLONDYKE FARM COTTAGES**

**ENQUIRIES : [info@klondyke.co.za](mailto:info@klondyke.co.za) Tel: 087 550 0232**

Klondyke Farm is a working fruit farm with apples, pears, and cherries. We are 1 ¼ hours' drive from Cape Town, 30 km the other side of Ceres off the R46. We are situated at 1200 meters above sea level so summers are cooler than Ceres town, and the winters are crisp.

We offer three cottages that are fully equipped for self-catering but, there is no TV available. Cell reception and wi-fi is only at the office area. We supply duvets, pillows and towels, crockery, kitchen equipment and utensils. There is a stove and fridge, microwave, kettle, and toaster in each kitchen. There are heaters in all the rooms, and electric blankets on all the beds. Each cottage has an inside fireplace and an outside braai. VAT included in all prices.

We will provide some firewood and firelighters for your first night, which we leave for you at the fireplace and at the braai. Additional firewood – **R45** per bag to be paid into the “honesty jar” please.

We supply a complimentary mini jar of our Cherry Jam.
